

## CANNON DIAL ELM

#### Princeton Prospect Foundation Report: February 22nd, 2024

Undergraduate Representatives: Kate Monihan '24 & Mia Coene '25, Former & Current Vice Presidents

### INTELLECTUAL ENGAGEMENT

Cannon Dial Elm members persistently excel in all aspects of Princeton life. The clubhouse is a popular study spot for members who can frequently be seen diligently working on their assignments. In the fall, numerous members were acknowledged for their academic achievements, earning Academic All Ivy achievements and other academic recognition. Collin Taylor '25 and Lewis Stroebel '24 (Football) were selected to the 2023 Academic All District Football teams for their academic performances. This winter, Bri Mponzi earned the PNC Athlete Achiever award for exemplifying what it takes to achieve, serve and lead in the classroom, community and competition. Annie Kuehl '24 (Women's Ice Hockey) was nominated for the Mandi Schwartz Award, awarded to the ECAC Hockey student-athlete who most embodies Schwartz's excellence and leadership on the ice, in the classroom, and in the community.

#### COMMUNITY SERVICE

Community Service was a focus point for the club this year. Our Activities Chair, Molly Chambers '24, maintained our annual service projects and started a new tradition too! Each year, we pack meals for needy families in the local area during Thanksgiving, in an effort to give back to local communities during the holiday season. Our SHARE Peers organized our annual participation in "Communities of Light" and lit up our walkway with flickering lights to show solidarity with survivors of domestic violence and sexaul ssualt in our community. For Veterans Day, Cannon lead an initiative to write handwritten notes to send to Princeton Veterans to thank them for their service. With the help of a few other eating clubs, we collectively wrote over 200 notes. Additionally, our Former Vice President, Kate Monihan, was nominated for the Hockey Humanitarian Award given for outstanding play on the ice and for exceptional volunteerism in the community. We take great pride in our members' unwavering dedication to service!

# CANNON DIAL ELM

### SUSTAINBILITY

Cannon's sustainability efforts are by Activites Chair Molly spearheaded Chambers '24. For the past two years, the club has a strong partnership with a local nonprofit called ShareMyMeals. Through this organization, we donate meals a few times a month to be distributed to local families in need. In September 2023, we prevented 75 lbs of food waste by providing 60 meals to ShareMyMeals.

### CLUB LIFE

This year, we introduce a new initiative, the Junior Officer Program, to get our juniors more involved in the "behind the scenes" of running the club. Two of our Junior Officers have now been elected to Officer positions, evidence of the program's success. Additionally, we expanded the number of SHARE peers in the club from 3 members to 5. During this year's spring bicker, we met many extraordinary members of the Princeton community and welcomed 101 new members. Our new class of Gunners is really passionate about the club and eager to engage with all the club has to offer. As a club, we aspire to consistently connect with others, enrich the club's diversity, and uphold our tradition of harmony among members.
