

Princeton Prospect Foundation

24 February 2020

- Community Engagement (led by Kelly Petrino '21)
 - Continuing partnership with The Seeing Eye to raise money for service dog training
 - Participation in the ICC's Trick-or-Feed initiative to raise money for the Trenton Area Soup Kitchen
 - Releasing "Cloister Believes Consent Is Key" stickers to promote a safe, respectful environment at the club and throughout the Street
- Environmental Sustainability (led by Ryan Yao' 21)
 - Continuing to cater to low-impact vegetarian and vegan diets at each meal, including semi-formals and formals
 - Improved signage around recycling bins indicating proper use
 - Eliminating Styrofoam to-go boxes and minimizing the use of paper coffee cups
- Future Initiatives
 - Improving the quality of our recycling stream by reducing contamination from non-recyclable products
 - Separating food waste from landfill waste for composting
 - Piloting a reusable cup program on the club's open nights
 - Beginning a bring-your-own-mug program to reduce waste from disposable mugs
