

Princeton Prospect Foundation Report  
24 February 2021

- Community Engagement (*led by Will Makinen '22*)
  - Resuming the club's partnership with The Seeing Eye to raise money for service dog training for the following academic year
  - Host virtual meetings with alum to mentor current members on career opportunities in non-profit work
  - Active recruitment and involvement with Princeton's Sexual Harassment/Assault Advising, Resources and Education (SHARE) program.
- Environmental Sustainability (*led by Brendan Firlie '22*)  
[All updates are for the following academic semester]
  - Revising next year's menus to cater to low-impact vegetarian and vegan diets at each meal, including semi-formals and formals
  - Improving accessibility for more recycling bins throughout the club
  - Eliminating Styrofoam to-go boxes and minimizing the use of paper coffee cups
- Future Initiatives
  - Improving the quality of our recycling stream by reducing contamination from non-recyclable products
  - Encourage reusable cups for the club's open nights
  - Host a spring volleyball tournament between the eating clubs for a charity of choice
  - Set up one on ones with alum and students for mentorship
