

Princeton Prospect Foundation Report
23 February 2021

- **Club Life**
 - Great member engagement for member nights and social events
 - Welcoming and inclusive environment for new sign ins
- **Intellectual Engagement/Education**
 - Use our alumni network to set up mentorship opportunities between current members and alums.
 - Encouraging intellectual debate and curiosity, planning to do a panel during the semester for members to engage in healthy debate and discussion about world issues.
- **Service**
 - Resumed our club partnership with The Seeing Eye this past semester, donating money for service dog training and offering a mental health study break with the dogs during reading period.
 - Getting involved with limiting food waste initiatives.
 - Active recruitment and involvement with Princeton's Sexual Harassment/Assault Advising, Resources and Education (SHARE) program.
- **Sustainability**

- o Encouraging members to recycle and informing them on what to recycle
- o High access to recycling bins, one in each main room
- o Being conscious of allergies, vegan, and vegetarian dietary restrictions and ensuring each meal caters to every member's dietary needs.
- **Technology**
 - o We have a hot tub
 - o Used the TV for Superbowl watch party
- **Campus Presence**
 - o Large presence and engagement during street week
 - o Eating Club festival event
