

# Princeton Prospect Foundation Meeting

## IVY CLUB

**Update Compiled by Keyshawn Felton, Vice-President**

### **Community Service**

- Money collection by members to collectively donate to our staff for the holiday season
- Many Ivy members are involved in community service through their athletic teams and other affiliations
- Implemented new food waste management program with non-profit organization Share My Meals

- Ivy has participated in and plans to continue participating in the street-wide TruckFest event to help support food security charities in the Trenton and wider New Jersey area
- Ivy is planning a new initiative to begin composting plastic cups used by club members to reduce the volume of single-use plastic waste

## **Intellectual Engagement**

- Strong club-wide attendance of the Ivy Implicit Bias Training led by Carl A. Field Center (Tennille Haynes and Jes Norman) in the week following bicker and of a SHARE presentation prior to bicker
- Sustained continued efforts to improve DEI
  - Integrated DEI chair into having an active role in the club (Bicker, daily logistics, etc.)
- Hosted a round table discussion with former New Jersey Governor Christine Todd Whitman

- In the process of establishing initiatives to foster community between members and Alumni
