

PRINCETON PROSPECT FOUNDATION REPORT

TERRACE F. CLUB

Presented: 22 February 2024

i. Club Improvements

- a. The club has undergone upgrades in the kitchen and servery, including a renovated wall and new flooring.
- b. A fresh array of greenery and flowers have been planted in the backyard, enhancing the club's outdoor ambiance.
- c. Vibrant murals now adorn various spaces within the house, notably the library and solarium, adding character and charm.

ii. Community & Campus Engagement

- a. The club hosted a public winter session event with food and creative activities in collaboration with the Princeton University Office of Campus Engagement.

- b. Art Markets and Yard Sales are regularly organized, providing entrepreneurial opportunities for students to participate in community-driven exchanges.
 - c. Live Music & DJ events are hosted weekly, offering entertainment and fostering a sense of community spirit.
- iii. Sustainability**
- a. Increased composting efforts have been made through the expansion of compostable materials.
 - b. Clothing resales and swaps are put together and promoted as part of the club's sustainability initiatives, encouraging members to participate in eco-friendly activities.
 - c. Ongoing collaboration with the Inter-Club Sustainability Council to foster more sustainable operations and practices.

Terrace would like to offer our warmest thanks to the Princeton Prospect Foundation for their ongoing support and dedication. We also express our appreciation to the readers for their valuable time. At Terrace, we aspire to honor the legacy of those who have served before us and trailblaze new paths with love and generosity. Serving this remarkable community is a privilege.
