

Princeton Prospect Foundation

Date: October 18, 2013

Club: Cloister Inn

Vice President: Ian Rea

Community Service:

Last year, our main event was the carwash for Hurricane Sandy victims (elementary schools). This season, we will be having 4 key events:

1. November- December Clothing Drive -- we have partnered with an organization in France that drives around in Paris and hands out clothes and food to homeless people sleeping on the street, so will be collecting clothes to donate
2. Thanksgiving soup kitchen volunteer trip -- around the 2nd week of November, we will have an organized club trip for those who want to go to serve a meal at the Trenton Soup Kitchen.
3. MAN AUCTION Dec 5 – Our annual charity event partnering
4. Christmas Tree Gift Drive -- partnering with organization in Trenton to get gifts and wrap them for children whose parents don't have the funds to provide xmas gifts.

Technology / Entertainment:

- Developed electronic meal checking system which has been a great success.

Club Improvements:

- Fixed hot tub. Now a regularly used and cherished aspect of the club.
- Acquired long tables to use at selected meals. We feel this adds an interesting social dynamic to some events by allowing and encouraging friend groups who wouldn't normally sit together to join in meals and conversation together.

Environmental Responsibility:

- Appointed Sustainability Chair.
- Members are now encouraged to use reusable cups at meals.

Faculty / Alumni Invitations:

- Back to hosting regular faculty lunches. Members have greatly enjoyed the opportunity to converse with professors at meals.
- Have hosted various alumni get-togethers on football weekends.
