New Members

- Pick-ups went smoothly. We walked around campus gathering almost 70 first-round sign-ins and bringing them to our club for a celebration at midnight.
- We are welcoming over 100 sophomores and 12 juniors into the club for the Spring semester.

Community Service and Engagement

- We hope to continue our lasting relationship with the Princeton-Blairstown Center, and they will be hosting a dinner at our club on 2/24 or 2/25.
- We will combine Community Service with Assistant Social Chair, as we believe that community service should be seen as a fun and engaging activity where new friends can be made, and we hope this will help encourage better turnout to the service events.
- With these efforts, we hope to offer more activities to our members and show that we are a club that is active in serving the community.

Alumni Connections and Colonial History

- This year, we are in the planning stages of creating a new and improved Colonial alumni website where alumni can more easily access Colonial's historical documents and books from the past.

Academic Engagement

- The Professor Dinner Series have been restarted again for the Spring semester. We are bringing in professors on Wednesday evenings to give a talk and host a discussion during dinner about topics of their choice.
